

Committee Meeting Notes

Meeting information

Name of event:	TAPS Advisory Committee meeting	Meeting date:	October 10, 2017
Location:	Facilities Services Building A Conference Room	Meeting time:	10:30am
Notes by:	Jessica Ross	Meeting duration:	1.5 hours
Next meeting date:	Nov 14 th , 2017	Date form completed:	
# attendees:	12 on person and 3 on the phone		
Attendees:	James Nardello, police rep (Jason Jacklitsch), Tibor Toth, Prez of ASUCM, other ASUCM rep (Daria Imbukwa), Eric Walle, Rosalva Barriga, Jewel, Jessica Ross, Raj, Martin, Karen came in at 11:26 because she was at a meeting with the 2020 developer Phone: Katherine, Drew, ?		

End of Nov. P4 delivery

Lighted entry at that time

New charging stations, # of stations is in review

The new ASUCM reps had a lot of questions about topics we regularly discuss (ratio of permits to spaces, buses being too full, etc.)

Eric suggested a "how am I driving?" on the buses and this will be addressed with the transit service to address complaints about drivers

Karen reported agreed upon placement of kiosk machines in P4, these will be attached to license plate number, no concerns from the group about these locations

Access pathway for walking is a long walk but is not the original route we discussed along Lake Rd. (the path will be shorter than originally thought)

Lake 1 and 2 will remain open during finals to help alleviate issues during this time.

Lake 1 will be P5 and will be closed after this semester and reopened fall 2018

Paved pathway will be right by the bus stop

There will be a new website for TAPS

Committee Meeting Notes

Meeting information

Name of event:	TAPS Meeting	Meeting date:	10/10/17
Location:	TAPS	Meeting time:	10:30am
